Dear Players and Parents,

Welcome to the 2010-2011 CYSO Hawk season. We are looking forward to another fun and exciting year. Every year we have the most amazing players, parents and families. We expect that this season will not be an exception.

A few things to remember about our team:

- Practices will be held on Tuesdays & Thursdays, 5:30-6:30pm, Sam Ryno Park.
- Shin guards are to be worn at EVERY game and practice.
- Jewelry WILL NOT be worn at any games OR practices.
- Drinking water and a size 3 ball should be brought to every practice. Although we will distribute a snack list, it is a good idea to bring drinking water to every game.
- Attitude is everything. Be on time and ready to play at all practices and games
- If you cannot make a practice or game, please contact a coach AS SOON AS YOU KNOW.
- Be positive at ALL times. Please cheer and encourage from the sidelines. The kids will love it! Don't be afraid to cheer for the kids on the other team. Good soccer is good soccer.
- DO NOT speak to the referees. DO NOT coach from the sidelines.
- All games will be played at the River Bluff Regional Park. These are beautiful fields and we are very fortunate to be able to use them. Please help us to keep them clean. We are responsible to leave the field clean after each game.
- When we have the first game on our field, we must put up the nets. When we have the last game on our field, we must take down the nets. We would appreciate your help with this task.

Thank you for your cooperation. Together we can make this a wonderful experience for everybody involved.

Sincerely,

Cyndi Meshach
